Dear Muffie

We are 46 miles from Chicago
and will mail this today.
I am feeling pretty good and
hope you all are well. I am
sure lonesome to see you all
and sure miss your letters.
Just guess we will get there
in 3 or 4 days. Money you
can ride in a long letter
and send it to this address
and think I will get it. Put
your return address on it.
I will close with love and
a good night. Love all have
a good time. X Ray H
